We announce that (1) on Aug.1, 2014, against Apple Inc. (headquarter in Cupertino, California, USA. as “Apple”), claiming of Antitrust Violations ect. and (2) on 6 of same month, against Apple and Apple Japan, LLC, claiming of Patent Infringement, we filed a lawsuit in Tokyo District Court. The details as below,

(1) Antitrust Violations, ect.

Request: Compensation for all related damage such as rebate payment and so on.

(2) Patent Infringement

Request: Sales injunction of partly Apple products and compensation for all related damage.

We, as Apple’s supplier for around 9 years now, have been doing the business with Apple continuously. However, after such long term cooperation, due to such behaviors which can not be overlooked, we brought a lawsuit. In the future, through the trail to Apple, we will pursue the responsibility for their doing.
